## Forsyth County: YMCA Before and After School Academy

**Before and After School Academy is part of the YMCA's history of dedication to youth development.** It was established to meet the needs of working parents while providing children with a fun, safe, and enriching environment. Our program offers a variety of daily activities focusing on the following:

- Academic Support (Reading and STEM)
- CATCH curriculum\*
- Confidence and Character Development
- Fitness and Health Education
- Games
- Service Learning
- Homework Support with certified teachers
- YMCA Healthy Eating and Physical Activity Standards
- Healthy Snacks

Learning doesn't stop when the school day ends. The Y provides the academic support needed to help students achieve their full potential. Each day is filled with educational activities that also incorporate active play to develop a lifelong love of health and wellness.

"I can't begin to express my appreciation and gratitude to the Y for its after school program. It has been a great comfort to me for many years to know my children were in a safe, caring environment with people I trust. They are provided with a healthy snack, homework time, and fun activities every day. The counselors exhibit and encourage positive character traits and are true mentors. Thank you, YMCA after school for all you do to care for our children!" - Stacey R.
