Before & After School News Flash

Inclement Weather Plan

Whenever possible, our child care programs continue to operate. In the event that the Winston-Salem/Forsyth County Schools alter their regular class schedule, please refer to the following procedures.

School Delays – Before School Child Care

If school openings are delayed for an hour or more, we will make every reasonable effort to provide before school care beginning at 7AM. Once the staff has arrived, children will be cared for until they are dismissed for class. There is no additional fee for the extended care. Children must already be enrolled in the before school program to receive care on delayed opening days.

Early Dismissals – After School Child Care

If school is dismissed early because of snow or ice, the after school child care will be offered at the YMCA until 6PM. **Parents are responsible for getting their child(ren) to the YMCA.** To ensure your child’s safety, we will not transport children on these days. Staff will report directly to the YMCA to be available to provide care for those who have dropped off children following the early dismissal. **No YMCA staff will be on site to provide care at a school where the children have been dismissed early.** There is no additional fee for care on these days. Please refer to the list to the right to find out where to drop off your child on early dismissal days.

Snow Days – Before and After School Child Care

If schools are closed for the entire day, the YMCA offers a child care program at a YMCA from 7AM until 6PM. Please refer to the list to the right to find out where to drop off your child on snow days. There is no additional fee for these days. Children should bring a lunch and drink that does not require refrigeration or heating,

swimsuit and towel.
