For green swimmer level, the child can be in the pool without an adult, but the adult must stay within the pool deck area. For red swimmer level, the adult must be in the pool with the child within arms reach and each adult can be responsible for 2 children. So for every 2 red swimmers in the group, there must be an adult in the pool swimming with them and stay within arms reach of both children. All children still needing diapers must wear plastic-lined or disposable swim diapers. Please make sure that all guests bring their own towels.
