Vice President, Human Resources
YMCA OF NORTHWEST NORTH CAROLINA

Sherry Lee is Vice President of Human Resources, with responsibility for Staffing our Cause in the Association, which includes recruiting, engagement, performance management, employee relations, compensation, benefits, wellness, training & development, workers compensation, and compliance. She is passionate about the Y mission, "helping people reach their God-given potential in spirit, mind, and body," and loves working with Y leaders and employees at all levels to help them reach their potential.

Sherry joined the YMCA of Northwest North Carolina staff team in 2005, after almost 10 years at Wachovia (now Wells Fargo), where she worked in Human Resources as an Analyst in Work Life and Diversity, and then as a Compensation Consultant supporting the Wealth Management Division. Sherry has a BA in Sociology from Wake Forest University, and an MA in Sociology from the University of Georgia. While at Wachovia, Sherry was an active Y member and served on the Board of the William G. White, Jr. Family YMCA. She currently serves as Treasurer of the Winston-Salem Society for Human Resource Management and is on the board of the ECHO Network.

Sherry's first job at the Y was as a summer camp counselor at YMCA Camp Thunderbird, a resident camp affiliated with the Charlotte Y, where she met her husband, Mitch. In their free time, Sherry and Mitch enjoy travel, spending time with family and friends, and all kinds of outdoor adventures (especially bicycling).
