Inclement Weather Policy Update:

Dear Parents,

The YMCA has been offering care when school is out for inclement weather at the Y for many years. We regret to inform you that the North Carolina Department of Early Education has informed us that we can no longer care for children at the Wilkes Family YMCA due to it not being a licensed site. If school is dismissed early to inclement weather, you will need to pick your child up from school or arrange for them to ride the bus home. On days that school does not run at all due to inclement weather, the YMCA will no longer be an option for childcare. We are very sorry for this inconvenience!

This **does not** affect our Out of School days because they are at licensed sites, and we can still continue to take field trips to our Y. This only affects inclement weather days. If you have any questions or concerns, please contact me at (336)838-3991 or (336) 469 8681.
