In Case of Illness

The Y offers a Child Watch Facility that renders "well child services." We appreciate your respect for our other children and our staff by keeping your child at home until he/she is well. Please remember what might not be serious for your child could turn into a serious illness for another. This policy will be strictly enforced. We welcome all comments, concerns and questions.

Certain symptoms suggest the presence of communicable disease. Children who have the following symptoms should remain home until symptom-free for at least 24 hours, unless otherwise instructed by physician:

- Nasal/eye drainage (of any kind)
- Coughing
- Fever
- Diarrhea
- Vomiting
- Sore Throat
- Skin rashes (undiagnosed or contagious)
- Infected sores with yellow or green discharge which cannot be covered by clothing or bandages.

If children exhibit any of these symptoms during their stay in the Child Watch program, the parent/guardian will be asked to pick up their child.

Sign-In Procedure

1. Please sign your children in the sign in/ out book.
2. Sign in the appropriate time of arrival. Also write your exact location in the YMCA during your time of service.
3. Please label, or mark with permanent marker, your child's belongings.
