2023 Fall Aquatics Schedule – Wilkes Family YMCA

We are so glad you will be joining us in the pool at the Y! We invite members and their guests in middle school* and up to give your body the gift of low/no impact workouts using the resistance of the water. Choose between our 82-83-degree Lap Pool and our 88-89-degree Sunshine Pool. Our pool availability is based on the different programming we have going on. Please check availability upon arrival.

*All youth 12 and under must be accompanied by an adult.

Please note: The Pool Area will be closed for Renovations and Cleaning the week of 9/11-9/17.

Unless otherwise noted, there will be a swim lane available for member lap swim. Please see a lifeguard for a designated lane.

Water Fitness Class Descriptions

Aqua Basics – Level 1 – Shallow water class, Aqua Basics will help individuals develop muscle strength while increasing static balance, range of motion and flexibility, and relieving tension from injured joints.

Aquafit – Level 2 – Shallow water class, Aquafit is a low impact program developed to give you an aerobic workout while developing muscle tone and endurance.

Cardio Splash – Level 3 – Shallow Water Class, get moving with choreographed dances and upbeat music! The instructor teaches from the pool deck while participants can enjoy a low impact workout. Cardio Splash is open to anyone looking to try something new, and is great for folks recovering from injuries or looking to add some resistance to their workout.

Sweat'n & Step'n – Level 3 – Shallow Water Class, each class will focus on targeting different muscle groups while incorporating high intensity cardiovascular conditioning. This class is designed to strengthen your core and overall strength.

Deep Water Extreme – Level 4 – Deep Water Class, this class uses a combination of strength training drills to target different muscle groups. Exercise combinations will challenge balance, flexibility, and endurance throughout the whole body. Classes also build strength through different equipment to add resistance.

Aqua HITT – Level 4 – Deep Water Class – Aqua HITT will challenge all fitness levels! Confidence in deep water is highly suggested in this high energy, total body conditioning class. Resistance equipment is used to increase intensity and flotation belts are available if needed. Workout together, but at your own pace!
