

FIND WHAT MATTERS MOST. FIND YOUR Y.

Many people associate the Y with a swimming pool, treadmills, or even a place to enjoy a cup of coffee. But the true power of the Y isn't found within four walls. The Y is in the hearts and actions of every neighbor who believes in our vision of a better "us" and a stronger community for all. With your generous support, the YMCA has helped our region flourish, making a significant impact by:

- Providing a safe haven for children to learn, grow and prosper.
- Extending a helping hand and a listening ear to seniors, enhancing their quality of life.
- Equipping individuals with life-saving skills to prevent drowning incidents.
- Transforming children's lives with unforgettable experiences at YMCA Camp Hanes.
- Affording our community vital health care resources and combating chronic disease.
- Offering hope and a sense of belonging through financial scholarships, ensuring access to all who need the Y's services.
- Creating a safe place for teens to go after school.
- And so much more!

These are just a few of the compelling reasons to discover your 'why' and contribute to the Y's Annual Impact Fund. Your support enables us to continue our life-changing efforts, providing our neighbors with the hope, connections and friendships necessary for success. Your donation is the lifeline that sustains the Y and makes this transformative work possible.
