MERLEFEST 2026

WELCOME YMCA CAMPERS!

Address to use is 1801 YMCA Boulevard Wilkesboro NC, 28297.

Check in at the YMCA will start at 9am on Thursday.

- Anyone paying for Wednesday night camping will check in inside the YMCA at the front desk.
- Thursday campers, weather permitting, will be checked in around the back of the Y in the parking lot.
- It is first come, first serve, but we have ample space for all campers.
- We do not allow anyone to bring their camper earlier than noon on Wednesday as we are still operating Y programs and can't handle the additional traffic. We reserve the right to have campers towed who come in early.
- In order to have space for all pop up/van campers, we will have clearly marked painted lines that we ask that you respect as you come in. We will also have a staff member to direct and assist with parking in areas specific to the size of your camper.
- Wood will be available for sale, but you can also bring wood in.
- This is a family campground with security at the pavilion out back from 7pm – 7am daily.
- We do not allow non campers to come into the campground to preserve the safety and quality experience for all campers.
- There will be port a jons behind the Y facility for when we are closed and there is also the pavilion with picnic tables and bathrooms at the back of our lot.

Business As Usual

- The Y is open 5am – 8pm Thursday and Friday. We are open 8am – 6pm on Saturday and 1pm – 6pm Sunday. Campers have full access during those hours.
- We open early on Saturday (7am) for campers to get showers, and also from 7am – 1pm on Sunday for showers only. (AND COFFEE!)
- There is no parking on the field at the Y. You can drive on the track to unload, but cars must be parked in the parking lot or the side lot to the right of the pavilion.
- Shuttle service is provided throughout the day starting one hour before the festival each day, and until all are cleared from campus.
- Generators permitted for campers who have medical needs but cannot affect the experience of those camping around you. All generators must be agreed upon by the camping crowd.
