

# THE Building Their *Futures* PLACE

Wilkes County YMCA  
After School Academy

**After School Academy is part of the YMCA's history of dedication to youth development.** It was established to meet the needs of working parents while providing children with a fun, safe, and enriching environment. Our program offers a variety of daily activities focusing on the following:

- Academic Support (Reading and STEM)
- CATCH curriculum\*
- Confidence and Character Development
- Fitness and Health Education
- Games
- Service Learning
- Homework Support
- YMCA Healthy Eating and Physical Activity Standards
- Healthy Snacks
- Arts and crafts

Learning doesn't stop when the school day ends. The Y provides the academic support needed to help students achieve their full potential. Each day is filled with educational activities that also incorporate active play to develop a lifelong love of health and wellness.
