BARIUM SPRINGS FAMILY YMCA MEMBERS:

We were made aware on August 23, 2018 of the county purchase of land in Barium Springs in a local news report, including the building the Barium Springs YMCA has leased for the past 18 years.

As a YMCA member, we want to let you know how this affects you. The Barium Springs YMCA will close by the end of the year. Ys are community organizations and we hope to continue to serve members of the Barium Springs community through our other Y facilities, as well as programs that meet our community needs.

YMCA membership provides you access to all facilities in Iredell County including the Statesville Family YMCA and the Lowe's YMCA in Mooresville, as well as across the state and country.

The Barium Springs YMCA outdoor pool will remain open and close on schedule, following the Labor Day weekend. The building will remain open at this time and further communication about the timeline of the facility closure will come soon.

We will let you know as soon as more information becomes available. You are a valued member of the Y family and we encourage you to experience all the Y has to offer at the Statesville Family YMCA, just six miles away, as part of your current membership.

Please contact me with any questions at a.blakley@ymcanwnc.org or 704 873 9622.

Thank you for being part of the Y.
