

INCLEMENT WEATHER INFORMATION

When winter weather is upon us sometimes school is delayed, released early or closed due to inclement weather. Below you will find information about how this affects your child's YMCA Before and/or After School Academy care:

When School is Delayed:

Before School begins at regular time and we extend our care until school begins. This is included at no extra charge if your child is currently enrolled in our Before School Program.

When School is Released Early (due to weather):

Care will be provided at the YMCA Branch (Kernersville, Fulton, Jerry Long and William G. White) from the time school releases until 6pm (unless the branch was to close earlier and in that case you will be contacted or notified at drop off). Please note you must pick your child up at the school in this case and bring them to the YMCA branch. The YMCA will not provide transportation via bus in this event.

Please sign your children in/out once you bring your child to the YMCA. This is included at no extra charge if your child is currently enrolled in our Before and/or After School Academy program. If you have a child not enrolled in a YMCA Before/After School Academy program the rate is \$30 for members and \$47 for potential members. This must be paid at the time of drop off.

When School is Closed:

Care will be provided at the YMCA branch from 7am-6pm (unless the branch was to close earlier, but you will be notified of those updates at drop off or during the day, so provide a contact number where you can be reached easiest). This will run just like an out of school day but your child may or may not go swimming on these days. Rides-in will be from 7am- 9am and rides out will be from 4:30pm-6pm at the indicated location in the YMCA. If you need to sign your child in/out between the hours of 9am and 6pm, you will enter the main doors and someone will assist you. This is included at no extra charge if your child is currently enrolled in our Before and/or After School Academy program. The rate is \$30 for members and \$47 for potential members for those not enrolled in a YMCA Before and/or After School Academy program.

Please note that at times programs at the branch might be delayed due to facility operating hours. Please watch your local news for updates.
