

Rivers Edge Campground Information

Rivers Edge Campground is located along the beautiful Yadkin River at the Rivers Edge sports complex.

There are over 300 sites available for anything from a tent, to a pop up camper, to a tear drop camper, to a 40 foot RV.

There is limited water access and no power, with the exception of power available to campers without a generator, in need of access for medical reasons.

There are water hydrants throughout the complex for sharing of water, port a jons and a shower trailer.

The shower trailer is available from Noon on Thursday through Noon on Sunday from 8:00am – midnight daily for \$5 per shower.

Ice is available for \$3 per bag, and wood is available at varying prices depending on the bundle size.

The campground opens at noon on Wednesday.

Campers staying over Sunday night must be gone from the campground by 9am due to restrictions with having the Inmate crew coming in to assist with clean up.

We reserve the right to charge a fee as well as refuse camping for the next year for those who are not gone by 9am on Monday.

No dogs allowed.
