**The NWNC YMCA Association Youth Attendance Policy:**

In an effort to ensure the safety of participants, specific group exercise classes involving speed, weights, intensity and agility, will require an age of rising high school grade (9<sup>th</sup>) or above to attend. These classes are marked with an \* on the descriptions page.

Rising middle school students (6<sup>th</sup> grade) and above are welcome to attend group exercise classes with a parent, or without a parent after completing the Middle School and UFit Orientations, except for classes marked with an \* on the descriptions page. Cycle classes are open to middle school members and older, as long as proper cycle fit can be established.

**TIPS FOR A GREAT GROUP EXERCISE EXPERIENCE**

1. Bring towel and water bottle. It's hard to concentrate on the class when you're dripping sweat and thirsty.
2. Don't be shy! The front row is always the most fun.
3. Try something new. Studies show switching up your exercise routine is critical. Bored with the same old routine? Pick up a class description sheet and try something you've never tried before.
4. Bring a smile! You're more likely to be successful in reaching your wellness goals when you make exercise FUN!
5. If planning on attending Cycle please reserve a bike at our app and arrive to class 10 minutes before the class starts to get ready for the ride.
