INCLEMENT WEATHER INFORMATION

When winter weather is upon us sometimes school is delayed, released early, or closed. Below you will find information about how this affects your child's YMCA Before and/or After School Academy care:

When School is Delayed:

Before School begins at regular time and we extend our care until school begins. Children must be currently enrolled in our Before School Academy, and this is included at no charge.

When School is Released Early (due to weather):

Care will be provided at the YMCA branch (with the exception of Robinhood Road) from the time school releases until 6:00pm (unless the branch needs to close earlier and in that case you will be contacted or notified at drop off). Please note you must pick your child up at the school and bring them to the YMCA, as the Y will not provide transportation via bus in this event. Please sign your children in/out once you bring your child to the YMCA. Care is no extra charge if your child is currently enrolled in our Before and/or After School Academy program. If your child is not currently enrolled, the rate is \$35 for members and \$45 for potential members and this must be paid at the time of drop off.

When School is Closed:

Care will be provided at the YMCA branch from 7:00am-6:00pm (unless the branch needs to close earlier, but you will be notified of this at drop off or during the day, so please provide a contact number). This will run just like an out of school day but your child may or may not go swimming. Rides-in will be from 7:00-9:00am and rides out will be from 4:30-6:00pm at the indicated location. If you need to sign your child in/out between the hours of 9:00am and 4:30pm, you will enter the main doors or call the site phone number and someone will assist you. This is included at no extra charge if your child is currently enrolled in our Before and/or After School Academy program. The rate is \$35 for members and \$45 for potential members for those not enrolled. Please note that at times programs at the branch might be delayed due to facility operating hours. Please watch your local news for updates.

If you have questions please contact the YMCA Youth Development branch or your Program Director:
